

Shuttle Schedule

All shuttle times for the celebration, sorted by route. Find your hotel below and check its color first.

Watch the colour of your shuttle

Several shuttle buses run at the same time on three different routes, marked by colour: Blue, Yellow and Red. Each colour serves a fixed group of hotels. Please only board the bus in the colour that matches your hotel – a different colour bus will not take you to your hotel.

Shuttles run continuously

Each shuttle keeps circulating on its route throughout the afternoon and evening – it is not a one-way trip that stops once it reaches the venue. This means you can also catch a ride back to your hotel during the afternoon, not only at the evening return times. Both sets of return times are listed for each route on the following pages.
